FACULTY DEVELOPMENT PROGRAMME

on
Innovative Techniques
in
Teaching-Learning-Paradigm

February 09-13, 2018

Organized by:

Department of Mechanical
&
Civil Engineering,
Government Engineering College
Jhalawar (Rajasthan)

About The College

The Government Engineering College Jhalawar (GECJ), Rajasthan was established in the year 2007 by the Govt. of Rajasthan to enhance technical education in the state. This college is affiliated to Rajasthan Technical University (RTU), Kota and the B.Tech Programs are duly approved by AICTE New-Delhi. At Present GECJ offers 6 B.Tech. programs and 3 professional courses. The college is located on Sunel Road about 10km from Jhalawar Railway Station and 12km from Jhalawar city and bus stand.

About The Course

Five days faculty development programme on “Innovative Techniques in Teaching-Learning-Paradigm” is scheduled during February 09-13, 2018. The objective of this programme is to broaden and enhance the faculty academic capabilities by exposing them with appropriate skills pertaining to teaching-learning process. Further, it aims at strengthening functional area of expertise and also focuses on enhancing abilities to conduct research on topics of utmost relevance.

Focused Pool of Participants

This programme is interdisciplinary and intended for current, prospective faculty members and researchers of various institutes, university departments, degree colleges and other professional/ staff training institutes.

Registration

Since the seats for participants are limited, selection will be made on a first come, first serve basis and intimation will be sent to the candidates by email in due course of time. Certificates will be issued to the participants on completion of their participation in all sessions of the workshop.

Participants should send their application (hard and scanned copy) in the specified format (attached here) to reach the Coordinators via post or e-mail latest by 5th Feb, 2018.

Registration Fee

One time registration fee of Rs. 2500/- is to be paid by outside participant attending this course, however, prior registration by participants, and confirmation from the organizers is mandatory. The fee covers participation in the programme, registration material, breakfast & lunch on all the days of workshop. Fee not required from in-house participants.

The fee should be deposited by DD in favour of ‘Principal, Govt. Engineering College Jhalawar’ payable at Jhalawar.

Accommodation

Participants are requested to make their own arrangements for stay during the workshop. However, suggestions for suitable accommodation near the college could be made on request.

Experts

Eminent experts who have agreed to take part in this pedagogy workshop belong to the esteemed institutions of India such as IISc, IITs, NITs and other well known institutions.
