SHORT TERM TRAINING PROGRAMME

On

Advancement in Mechanical and Civil Engineering 2017 (AMCE2K17)

November 07-11, 2017

Organized By

**Department of Mechanical & Civil
Engineering
Government Engineering College
Jhalawar (Rajasthan)**

About The College

The Government Engineering College Jhalawar (Rajasthan) was established in the year 2007 by the Govt. of Rajasthan to enhance the technical education in the state. This College is affiliated to the Rajasthan Technical University, Kota and the courses are duly approved by AICTE New-Delhi. Presently the college is running 6 engineering streams and 3 professional courses. The college is located on the Sunel Road about 10 KM from Jhalawar Railway Station and 12 KM from Jhalawar Bus Stand.

About The Course

One week short term training programme on “Advancement in Mechanical and Civil Engineering” (AMCE2K17) is scheduled to be held during **November 07-11, 2017**. The objective of this programme is to provide a platform for interaction and exchange of ideas in the field of Advancement in Mechanical and Civil Engineering from national academic institutes, research laboratories, and industries.

The knowledge of this area has been applied in many fields of science, engineering, and logistics where optimal decisions need to be taken.

The aim of this programme is to train the faculty members, research scholars, young scientists, and graduate & post graduate students of various organizations.

Eligibility Criteria

This programme is interdisciplinary in nature so faculty members, research scholars, PG students and UG students are eligible for this Short Term Training Programme (STTP). Scientists who are working in the R&D organizations / Industry persons can also attend this programme.

Registration

Since the number of seats is limited. The selection will be made on first come first serve basis and intimation will be sent to the candidates by email as per the schedule. Certificates will be issued to the participants only after attending the complete course.

The participants should send the application (Hard and Scan Copy) in the specified format (enclosed here) to reach the Coordinator via post or e-mail latest by 5th Nov. 2017.

Registration Fees

There is no registration fee for attending this course, however prior registration by participants and confirmation from organizers is mandatory.

Accommodation

Participants are requested to make their own arrangements for stay during the workshop. However, suggestions to suitable accommodation near to the college could be made on request.

Experts

Experts will be invited from various reputed institutes / organizations of India.
